The Tiger
Ipswich High School
1967

Foreword

This is your book—your treasury of memories today and in years to come.

Even though the 1967 TIGER is basically a serious book, the staff has strived to make it more interesting by injecting into it a little humor as you will see in the celebrity section. We have also endeavored to make the 1967 TIGER more of a school book by devoting certain pages to underclassmen. By these and other innovations we hope to present a more total picture of Ipswich High School.

We the staff, hope you will enjoy reading this yearbook, and I as editor-in-chief want to thank our advisor, Mr. Gerard Thibodeau, my fine staff, and everyone else who made the publication of this book possible.

Administration

and Faculty

Mr. Rodney Wood

It is always a pleasure to be invited to share views with a graduating class especially when these thoughts are to be included in the annual yearbook. There is always something magic in graduating from high school to the other world where people regard you in a new light, in a new role, that of an adult. Responsibility is no longer a word; it becomes an expectation, resented perhaps at first, but more regularly assumed with a silent knowing pride.

Many of you in the Class of 1967 have witnessed this change in your older brothers, sisters or friends. This attitude will be noticed by the people closest to you when you too graduate to the other world of National service, industry, and further education. Perhaps many years from now you will pursue your yearbook again to identify classmates and their achievements. When you do this, please think of the times or places, or conditions, when you accepted the responsibility for yourself, another responsibility toward your community, and the people who lived there whether that community was a town, a state, a nation, or the world.

May I congratulate each one of you upon your graduation and may I share this pride with your parents.

Mr. Joseph Rogers

I have thought many times about all of the students and of how I would like to become better acquainted with each one on a more personal basis. This is quite naturally almost impossible.

As our enrollment increases I feel that your education is becoming more and more standardized, cold and impersonal, and at times knowledge rather than values is stressed. It is my sincere hope that you will carry away from Ipswich High School a great deal of knowledge and a keen sense of moral and spiritual values: knowledge, to assist you in your everyday performance in this fast moving, complex, and involved society—moral and spiritual values, to keep you steadfast in your lifetime purpose.

The future will find you scattered throughout the world—your endeavours will be many.

If we, the faculty at Ipswich High School, have planted in you a sound basis of knowledge and values from which to operate, we will indeed be pleased with our work.

My sincere and warm regards to you as you travel on to a new and exciting world.

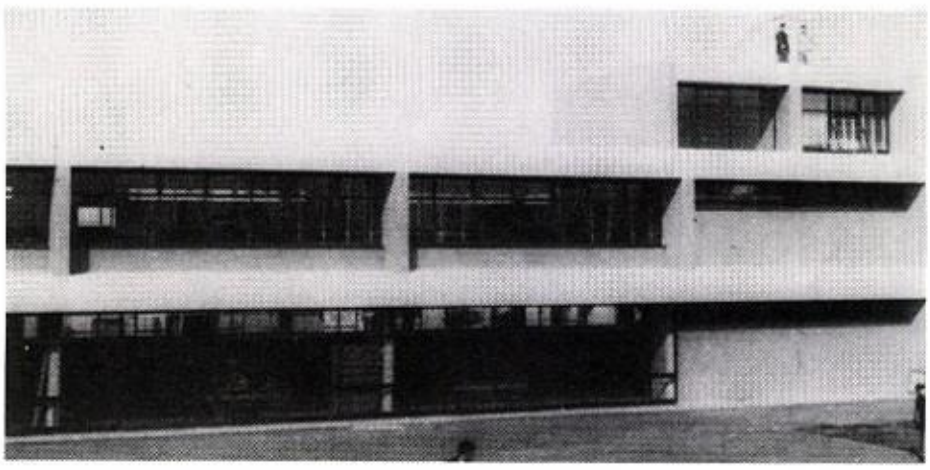
Luis Conde Gatti, American Field Service exchange student from Uruguay has been a most welcome guest to Ipswich High School. His presence has helped to broaden our outlook on the world. Luis has lived with Mr. and Mrs. Alister Hyde and their two sons, Donald and Robert. When Luis returns to Pando, his hometown in Uruguay, he will finish his last year at prep-school and then go on to college to become a chemical engineer. His interests range from flying aero-models to racing go-karts. The Ipswich High School faculty and student body hope that the future brings success and happiness and fond memories of his year at Ipswich High School.



We are all very proud of Claudia Hickling, Ipswich High School student who accomplished an almost impossibility. Out of almost 6,000 applicants, Claudia was chosen to be one of the small minority of students, 198, to represent the United States overseas in the American Field Service program. Her destination—Vingrom, Norway. There she lives with Mr. and Mrs. Tryve Owren and their children and goes to school at the Lillehammer Gymnas. Claudia gets a chance to indulge in one of her favorite sports, skiing. Her other interests include basketball, softball, and swimming. In Norway she has taken part in the Lillehammers senior play. Mr. Owren is a member of the Norwegian parliament, and Claudia has had the unique experience of visiting the Parliament in Oslo and seeing the prime minister of Norway. We thank Claudia for giving Ipswich High School international recognition.

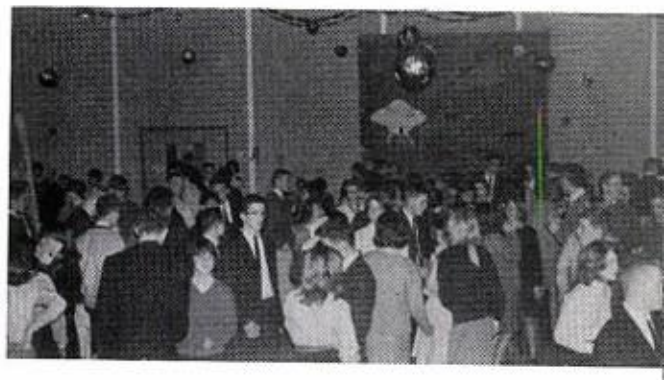
SENIOR ACTIVITIES

Class History

In the fall of 1963 our class entered the newly built high school as its first freshman class. Although we were adequately prepared for what was to come, it was soon discovered that no one was quite prepared for us.

Elections were soon held and chosen to lead us that year were Tim Henry as president; Kathee Federico vice-president; Sue Duff, secretary; and Norman Chambers, treasurer. Representing us in the Student Council were Ann Herrick, Nancy Woodworth, Mark LaRochelle, and Girard Trudel. Mrs. Nancy Prince and Mr. Peter Trumbull helped us along as advisors.



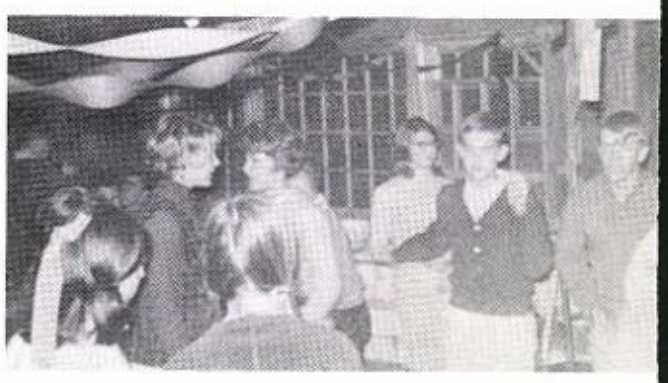
Our first project as a class was that of our dance, "Outer Limits." While the upperclassmen (and a few teachers?) laughed at our choice, we worked on, turning the joke into a success.

The need to build up our bank balance was our reason for staging the unique slave auction. The braver class members were raffled off at lunch and left to the mercy of their upperclass "masters." It did pay off though, and we added a considerable amount to our account.

Eagerly awaited by the freshman girls were the cheering tryouts, also held that fall. Chosen to join the varsity squad were Barbie Campbell, Ann Herrick, Kathy Riel, and Kathy Hayes. Ten other girls were picked to comprise the J.V. squad—destined to be the last.

The entire class was proud of our freshman football team, when, lead by co-captains Steve Hopping and Girard Trudel, they completed an undefeated season.

The closing of our freshman year came about with the election of officers for the oncoming year. Tim Henry and Kathee Ferico served as president and vice-president, with JoAnn Boylan and Polly Player acting as treasurer and secretary. Student Council delegates were Ann Herrick, Nancy Woodworth, Kathee Federico, and Norman Chambers.



Exerting an all out effort on our behalf were our advisors, Mr. David Welsh and the memorable Miss McCabe. All those in her physics classes will undoubtedly remember her interesting lectures, accompanied by a steady bombardment of flying projectiles. An equally unforgettable period was Mr. Rizvi's sixth period geography class. Didn't that smuggled in tonic from the teachers room taste good!

The first indication of class unity showed up in our cry "Sho Nuff", which we used throughout the whole year. This spirit was also evident at the Halloween party held at Sharon Amerio's. Most of the class showed up and had a really good time. Still another sign in our increased class harmony, by far the most visible, was the numeral 67 splattered everywhere.

Our class dance, "Swingin' Swiss Chalet", proved to be the most successful of the year; and our car wash the wettest.

With the ordering of class rings at the end of the year, we started to feel like the upperclassmen we were soon to become.

Coming back to school in the fall of 1965 we immediately began feeling our oats as upperclassmen. We were led by the same group of class officers, while Nancy Woodworth, Ann Herrick, Sharon Amerio, and Norm Chambers served in the Student Council. Nancy and Tim were also elected President and Vice-President to the Council, to have our class well represented.

In November we held our dance with the theme "Haunted Morgitorium," a real winner. Due to the insistence of certain factions, there was a lack of decent music, and the dance truly earned its name.

The two most interesting trips of the year were taken by the ski club and the band. Both were rumored to have been a lot of fun!

Prom time came in April and "April Abstract" was chosen as our theme. For several weeks many were busy constructing, what seemed to be, an endless number of paper flowers, and then, stringing them. Though the attendance was small, a swinging band helped make the evening a memorable one. Afterwards, most of the couples attended the dinner at the Ipswich House and they proceeded to Ann Herrick's for an "all nighter."

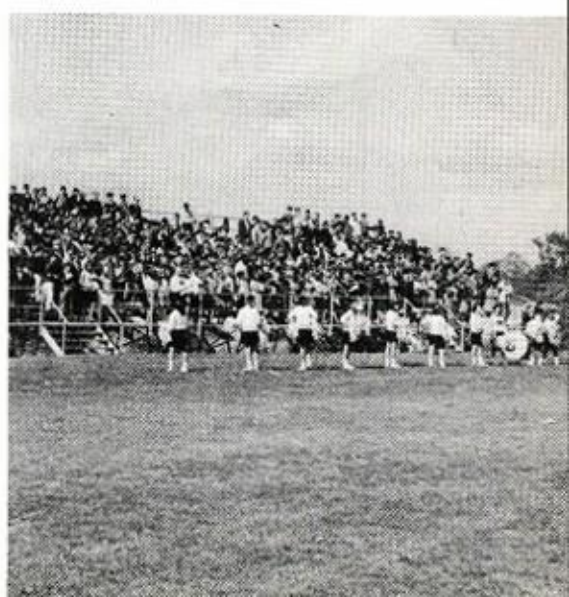
Towards the end of our junior year many of our outstanding classmates were honored for their achievements. Claudia Hickling and alternate Kathee Federico, Ron Pydynkowski, and Tony Pappas were chosen as Girls and Boys State representatives. For the first time an Ipswich High Student, Claudia Hickling was chosen to go abroad to Norway, as an American Field Service exchange student. Ten juniors were inducted into the National Honor Society. They were Janice Parker, Ellen Chambers, Linda Warner, Claudia Hickling, Suzanne Rocheleau, Joan Larson, Pat Stansfield, Sandra Blunda, JoAnne Boylan, and Tony Pappas.

This year also saw us having a junior steering committee, for the first time.

It was now time again to fill the posts of our executive officers. Elected were Tim Henry, Kathee Federico, Polly Player, and Pete Messelaar.

The beginning of our last year at I.H.S. brought mixed feelings. We had waited a long time for this, and yet the thought of being anything but a high school student was almost frightening. At last, the student body stood up for us when we entered the assembly, and we got to take our places at the head of the lunch line. It's surprising how much better food tastes hot.

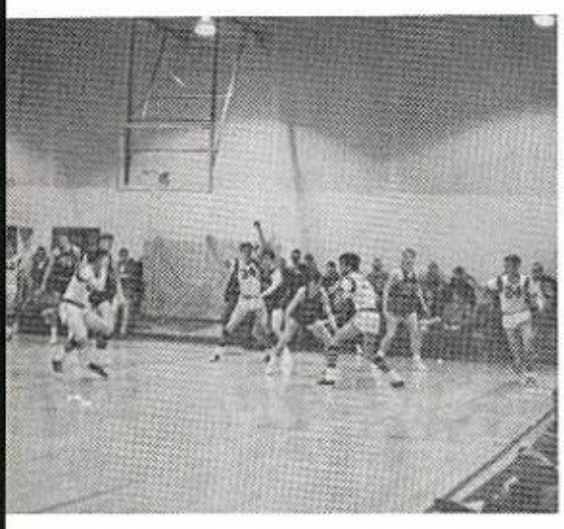
Also there to help guide our class were Miss Fournier, Mr. Hayes, and Mr. McKenzie as advisors, and our newly elected steering committee.



A good season of football was played by our team, which was lead by co-captains Joe Sklarz and Dave Drown, provided us with many thrilling games.

Though we lost our first game, the traditional senior victory dance was well-attended.

With Christmas approaching, plans were being made for the Christmas Party and Cotillion. The party was highlighted by the opening of a few unique gifts (a pin cushion!) and the Cotillion by Santa's Workshop. Both will be long remembered. A less advertised Christmas festivity was that held in 321, U.S. History II. A special guest was present to witness the reaction of his "secret" admirer as she opened her gift.



As is always the case we're now busy taking college boards and filing applications. Another member of our class, Tony Pappas, scored another first when he received a perfect score on the Math Achievement Test, Level II.

Our basketball team this year turned out to be the dark horse of the Cape Ann League with an impressive 12–4 record. Playing their most outstanding game of the season the team beat Manchester in their last game and, in doing so, qualified for the Tech.

Along with the hustling basketball team, other seniors, under the direction of Mr. Lucas, were working on our Senior play **Dark of the Moon.**

The next few months, our busiest, will also be our most memorable. All in all these past four years have helped to lay the foundation upon which the rest of our lives will be cast, and have truly given us the "Will To Do, Soul To Dare."

h the exception of the first er the Tigers outscored port all the way.

Rockport led 13 - 12 at the close of the first set. Ipswich eased ahead 23 - 21 at halftime. At one point in the third period the Tigers stepped out front by 10 points but Rockport rallied in the closing minutes to stay in contention. In that hectic third set the Tigers added 15 points to 14 for the visitors.

At several times in the final eight minute period the count was tied. Danny Courage who was spelling Captain Dick Merry and Bob Walker hit as the clock approached the final minute to give the Tigers a 4 point spread. Ipswich applied the freeze in the final minute with Art Pechilis scoring twice and Merry once to put the game on "ice".

The starting Tiger five were outstanding defensively.

Dick Merry, Dennis Doty and Art Pechilis were standouts on rebounds from both baskets.

On the offense Art Pechilis who had an off target afternoon nonetheless came up as high scorer for the afternoon with 22 points, all from the floor including several running "bunnies".

Bobby Walker, now a seasoned veteran was on target adding 17 points. Doty counted for 8 points, Courage 2, Merry 6 and Steve Goodhue 3.

In the spine - tingling final quarter Art Pechilis came through with 12 points to put the frosting on the cake. In the previous three periods Pechilis couldn't "buy" a basket. Over that space of time he scored but 10 points.

In still another thriller the Ipswich Jayvees nipped the previously undefeated Rockport Juniors 43 - 42. The Tiger Cubs had to come from behind to catch the visitors in the final sixty-seconds. With four seconds left Pete Van Buskirk went to the foul line for two free throws. At the time the Tigers were on the short end of a 42 - 41 count. Buskirk sank both shots to give Ipswich the win. Rockport got one shot off in the final four seconds but missed.

Masco

Arch rivals Ipswich and Masconomet high schools battled to a 16 - 16 stalemate at Boxford last Saturday afternoon in what turned out to be a moral victory for the Chieftains.

Looked upon as two touchdown underdogs, the Chieftains not only upset the dopesters but wrecked the Tigers' chances of earning a tie with North Reading for the Cape Ann title in the A. division.

Masconomet scored first, found themselves on the short end of a 8 - 16 halftime score but bounced back to tally eight points in the third then held on for the remainder of the game.

After receiving the opening kickoff Ipswich started from their own 31 and marched to the Masconomet 20 where the drive petered out and they lost the ball on downs. In turn the Chieftains were unable to move and after one series of plays punted out of bounds at the Tiger 47.

Ipswich "advanced to the rear" from their own 47 when Steve Hopping was caught at his own 43 on a pass attempt. ...n lost another 7 ...pswich 36.
